

IN THE ARTISTIC PAN-AMERICAN CHAMPIONSHIPS, BEGINNERS EFFICIENCY EXTENDS ITS AGE

Cancun, Mexico, July 26 2022

In an official statement by World Skate America's President, Alberto Herrera Ayala and, the WSA Artistic Technical Commission, it was reported that at the Beginners Pan American Figure Skating Championship, to be held in Cancun, Mexico, 6 and 7 years old athletes may be included.

According to the highest representative of continental skating, due to this is an early initiation discipline, Tot category will also allow 6 and 7 years old skaters. " "Another change is that it is not allowed to compete in two different categories in the same discipline". According to Herrera Ayala, "all news and

information about these championships can be found on the website www.worldskateamerica.org through the Cancun 2022 Pan American Figure Skating Championships information window."

Also, World Skate America confirmed Benito Juárez Poliforum in Cancun as the main venue for the competitions for beginners, clubs, and nations. "We have a venue according to all technical and logistical requirements that will allow skaters to perform their best in all their programs." Additionally, this Poliforum is located very close to the official hotels designated by the organization, "concluded the president of World Skate America. "
