ARTICLE 8. CLASSIFICATION AND POINTS

There will be a classification by Clubs and by National Teams, which will be made according to the general medal table, by category and group, as contemplated by the WS-STC regulations for the year 2024.

First place in the Pan American Speed Skating Championship will go to whoever obtains the highest number of Gold medals. If there is a tie in the number of Gold medals, the highest number of Silver medals will be taken into account; If the tie in Gold and Silver medals persists, the highest number of Bronze medals will be taken into account; If the tie continues in the medal tables, the score obtained in each of the tests by category and group will be taken into account, starting from fourth position as follows:

POSITION	4	5	6	7	8	9
SCORE	10	7	5	3	2	1

For the general classification of the Clubs and National Teams in the Pan American Speed Skating Championship, the same criteria will be followed.

PARAGRAPH. The position in the Pan American Speed Skating Championship for those who do not obtain medals will be made considering the score awarded from position (4) four to (9) nine, for each test in each

World Skate America
